Background

- ‘Our story, our future’ is the Queensland Government’s Multicultural Policy (the Policy) promoting an inclusive, harmonious and united community for Queensland.

- The Policy focuses Queensland Government action on three policy priorities for culturally diverse communities and Queensland as a whole – (1) achieving culturally responsive government, (2) supporting inclusive, harmonious and united communities and (3) improving economic opportunities.

- The Queensland Multicultural Action Plan 2019-20 to 2021-22 (the Action Plan) is the second Multicultural Action Plan released under Multicultural Recognition Act 2016 (the Act). It builds on outcomes achieved under the first Multicultural Action Plan, and will continue to drive Queensland Government action to support an environment of opportunity and achieve improved social and economic outcomes for people from culturally diverse backgrounds.

- The Policy and Action Plan are a requirement of the Act and represent one of three key provisions of the Act, together with establishment of the Multicultural Queensland Charter and Multicultural Queensland Advisory Council.

- Section 24 of the Act requires entities with actions in the Action Plan to report publicly on an annual basis. The report below fulfils this requirement for 2019-20 for the Residential Tenancies Authority.

Notes

- The list of Government entities covered under ‘All agencies’ is provided on page 11 of the Queensland Multicultural Action Plan 2019-20 to 2021-22.

- Actions marked with the symbol are broad actions with related agency sub-actions that can be viewed online at www.dlgrma.qld.gov.au, (i) click on ‘Multicultural Affairs’, (ii) click on ‘Queensland Government Multicultural Policy and Action Plan’. All sub-actions, where relevant, for the Residential Tenancies Authority (RTA) have been listed in this template for ease of reporting.

- The Policy and Action Plan support priorities set out in the Government’s objectives for the community, Our Future State: Advancing Queensland’s Priorities. These priorities are:

  - Be a responsive government
  - Keep Queenslanders healthy
  - Create jobs in a strong economy
  - Give all our children a great start
## Priority area 1: Culturally responsive government

### Outcomes
