

Our vision

Renting that works
for everyone

Our values

One team – We are professional, respectful and work together with a shared goal

Deliver – We make impartial decisions and own the outcome

Listen – We provide responsive, targeted client services

Innovate – We are adaptable, flexible and embrace change

Our purpose

Empowering people to understand and comply with rental market regulations

Our functions

We support the sector and deliver high quality client services by:

- providing residential tenancy information and community education
- managing rental bonds
- resolving tenancy disputes
- engaging with stakeholders
- monitoring sector data and conducting research
- providing policy advice to the Minister about the residential tenancy sector and the operation of the *Residential Tenancies and Rooming Accommodation Act 2008*
- ensuring compliance with Queensland residential tenancy legislation.

Our commitment to the Queensland Government's objectives for the community

The RTA supports the government's commitment to deliver quality frontline services by providing responsive, targeted services that meet our clients' needs and balance the rights and responsibilities of all stakeholders in Queensland's residential rental sector.

Our risks

We manage key risks that may affect our ability to achieve our vision and purpose. Mitigation strategies are in place to manage risks that relate to our:

- client satisfaction
- business systems
- financial management
- stakeholder engagement
- data security

Our opportunities

We continually seek better ways to deliver our key objectives. To help make renting work for everyone we will support the residential rental sector, create opportunities to build strong connections with our stakeholders, and put our clients' needs first. Our opportunities include:

- improvements to the end-to-end client experience
- contributing to the Queensland Government's Housing Strategy
- strengthening stakeholder engagement
- delivering digital engagement strategy
- continuous improvement to business processes
